## DJ

[DJANE507.WIXSITE.COM/MISSM](https://DJANE507.WIXSITE.COM/MISSM)

Marisol McFadden, a girl with a huge passion for good electronic music. A late starter, she took djing at 26 - learning to mix amongst friends as a hobby.

Decides to change the hours she spent dancing in some of Panama City's best parties for the dj booth in order to present a different musical proposal, a seductive and melodic style, the style of Miss M.

This also gives her an insurmountable understanding of the dance floor and the night scene.

Origin: Panama City, Panama
